FOR THE LATEST CLASS SCHEDULE, GO TO
www.woodstockrecreationdepartment.com

BARBELL STRENGTH – A strength training workout using barbells and adjustable weights. The class is designed to work every major muscle group in your body by also incorporating the use of hand weights, tubing and body bars.

BASIC YOGA – Great class for beginners or anyone who wants a slower paced yoga class. We focus on basic classic yoga postures, alignment and breathing techniques. We explore ways to increase strength, increase range of motion and improve balance. At the end of each class we offer a relaxing recovery. Any necessary props will be provided.

CARDIO/STRENGTH FUSION – Get an overall complete cardio and strength workout. Every week will offer a different instructor with a different format. Please call or check the group fitness calendar in the aerobics room for a monthly class schedule.

CORE AND MORE – Combining the principles of Pilates and Yoga with the use of weights, bands, balls and barre. An emphasis is placed on strengthening the core and more. Variety makes this cross-training class challenging in a different way each week. Look forward to improved balance, strength and flexibility (and fun).

CIZE® – A professional dance for everyday people! Created by Shaun T, world famous choreographer and fitness trainer, CIZE breaks down professionally choreographed routines, step-by-step. Before you know it, you'll be bustin' out hip moves to the hottest music around. It's so fun, you'll forget you're working out!

DANCE FUSION ROTATION – Come and try one of our varieties of popular dance formats from Cize, Mixxedfit, Werq, and Zumba! This class will be taught by a different instructor every week. Please call or check the group fitness calendar in the aerobics room for a monthly class schedule.

GENTLE EXERCISE – Improve your strength, flexibility, balance and mobility. Gentle exercise is a primarily seated class that will give you all the health benefits of exercise in a relaxed and motivating setting. This is a great workout for pre-rehab/rehab individuals and for those who want to increase strength and range of motion.

H.E.A.T(High Energy Athletic Training) – In this class we will combine cardio, strength and agility to give your body a total body workout that will be reminiscent of your high school sports days.

HIGH INTENSITY FUSION – In this high-intensity total body workout, we will be performing a variety of strength and bodyweight exercises along with intense periods of cardio drills with short recovery segments. We will be using a mixture of equipment such as, ropes, kettlebells, dumbbells, and more to increase your strength and stamina. This type of training helps you give maximum intensity while still maintaining your exercise form and will keep your body burning fat long after you leave the gym.

LITE N'LIVELY – A gentle workout with low impact activities and light weight bearing exercises to build strength, stimulate bone growth and improve balance/posture.

LINE DANCING – Have you ever wanted to be able to join the fun at weddings or clubs when you saw people line dancing? In this program you will learn a variety of line dances that will let you join in the fun.

METABOLIC CIRCUIT TRAINING – is a full body conditioning workout that focuses on full body strength and cardio conditioning. Circuit training is an excellent way to improve mobility, strength and stamina.

MIXXEDFIT® – A perfect blend of explosive dancing and bootcamp inspired toning. Come have fun with this exciting and easy to follow dance workout!

MULTI-LEVEL YOGA – Experience a variety of teaching styles in this multi-level yoga class. Yoga offers improved flexibility, strength, balance and the means to learn relaxation techniques to relieve stress. Modifications make this class accessible to all and appropriate props are provided.

PILATES FIT – A deep toning total body workout focusing on correct alignment, flexibility, core strength and a beautiful posture. Pilates Fit combines original Pilates exercises with innovative fitness moves creating an exciting and fun workout.

PILOXING® – Piloxing is a unique blend of muscle sculpting standing Pilates, the cardio of boxing and the sensuality of dance all to give you a fun and high energy interval workout.

PIYO – There's no time to stop and chant in this class because you won't pose you'll push it! We crank up the music, the speed, and the fun to give you an intense, yet low-impact workout that will burn crazy calories for a long, lean, beautiful physique. This dynamic fusion workout combines the core benefits of Pilates and flexibility of flowing yoga movements. You'll sweat, stretch, and strengthen—all in one PiYo workout!

RIP BARBELL STRENGTH – A high rep pre-choreographed barbell routine, using weights and a barbell. Each movement is matched to the music. It integrates functional orthopedic exercises, and uses plyometrics and power for program variety and training effect. RIP stands for REPS, INTEGRATION, and POWER.

R.I.P.P.E.D. – Combining Resistance, Intervals, Power, Plyometrics, Endurance along with following a proper Diet, our R.I.P.P.E.D. class will deliver an athletic total-body and high-intensity cardio/strength workout. Run through a series of music tracks using the R.I.P.P.E.D. formula to improve power, agility, speed, endurance and strength using free weights and your body's resistance. You will burn a massive amount of calories and get R.I.P.P.E.D.!

STEP – Old is new again in this intense step workout that offers the latest in step choreography. This class combines a variety of moves, intervals and creative use of the step to provide you with an amazing workout! Some basic knowledge of step is helpful.

STEP UP AND POWER DOWN – A high energy class full of fun and easy "step combos" designed to increase your cardiovascular fitness. Be ready for a great workout! Class winds down with resistance training, core strengthening, and/or stretching.

STRENGTH and FLEXIBILITY – Strengthen and lengthen your muscles in a yoga class where we will warm up by flowing through poses, then hold poses to build strength. We'll increase flexibility by passively holding floor postures for several minutes in order to enter a safe release of the deep tissues of the body and end with final relaxation.

TOTAL BODY STRENGTH – Get a complete full body strength workout by using a variety of fitness equipment. Move through all planes of motion as you build muscular strength, improve endurance and get into fantastic shape.

TRX STRENGTH – A complete full body strength workout using the TRX suspension straps, tubing, body bars and more!

TURBO KICK® – Ultimate cardiovascular challenge utilizing kickboxing and hip hop style moves, complete with bouts of intense intervals and specially designed strength and toning sections. Burn LOTS of calories, while having FUN with great moves and awesome music!

ULTIMATE WORKOUT – A complete full body workout with a unique blend of aerobic and anaerobic conditioning, calisthenics, strength, and endurance training! Exercises will be low impact but high intensity using your own body weight with little or no equipment.

YOGA – A variety of yoga will be offered in this class. We will be flowing through poses to create heat and holding poses to build strength. Balance, stretching, and sometimes a challenge pose added into the mix! Modifications are always offered as well as ways to advance in the poses.

ZUMBA® – Zumba is a fusion of Latin and International music. The routine features aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body. It is a mixture of body sculpting movements with easy to follow dance moves.

ZUMBA® GOLD – This class will appeal to those younger or older, who are new to Zumba. We have fun learning moves at a level which anyone can be comfortable with. "Ditch the workout, join the party!"

"FAMILY FITNESS" CLASS
DESCRIPTIONS

FAMILY FITNESS

Children ages 5 and Up can participate in the following classes. Adults, 14 and Older can take classes with an Executive Membership or a Fitness Punchcard. Youth, ages 5-13, can use Family Membership or a Youth Fitness 5-Punch Card for \$20.

Children must be picked up inside the Rec Center at the exact ending time of class. For your child's safety, the instructor will not allow them to leave the class without seeing a parent.

DRUM FUN - is good for the brain, great for the body and really FUN! Participants will drum and dance to choreographed routines for a great cardiovascular workout. Drumsticks, exercise balls and stands are provided.

ZUMBA KIDS® - The ultimate dance-fitness party for young Zumba fans ages 5 and up, where they can play it loud and rock with friends to their own rules! This program features age-appropriate music and moves that get kids movin' to the beat. It's all about feeling fearless on the dance floor, reinforcing the idea that it's okay to just be yourself and dance like no one's watching!

ARTHRITIC AQUATIC CLASS - This program allows you to exercise without putting excess strain on your joints and muscles. The gentle activities in warm water, with guidance from a trained instructor, will help you gain strength and flexibility. The water is a safe, ideal environment for relieving arthritis pain and stiffness.

AQUACISE - Water Aerobics classes which offer a variety of moves in the 'forgiving' environment of WATER!! Cardio, strengthening of core (abs), strength & resistance training and balance & coordination are all a part of a full body workout with our variety of instructors. We offer fitness and fun early-to mid-morning and evening classes to get you moving for a healthy lifestyle, no matter your age or current level of fitness.

AQUA ZUMBA® - Perfect for those looking to make a splash by adding a low-impact, high-energy aquatic exercise to their fitness routine. Aqua Zumba® blends the Zumba® philosophy, latin and world rhythms with water resistance, for one pool party you don't want to miss! (Class content subject to change if substitute instructor is needed.)

WATERBALL - Hey all you volleyball fans, come out for a non-competitive, cardio-fun, water volleyball class! Just like playing a regular game of volleyball, but doing it in the pool. A short warm-up and stretch and then let the fun begin!

City of
WOODSTOCK
RECREATION DEPARTMENT
INSURANCE LIABILITY WAIVER

INSURANCE LIABILITY WAIVER—Please read this form carefully and be aware that in registering yourself or your minor child/ward for participation in City of Woodstock-Recreation program(s), you will be waiving and releasing all claims for injuries you or your child/ward might sustain arising out of the activities of this program. Your signature is required on the other side of this form.

“I recognize and acknowledge that there are certain risks of physical injury to participants in programs and I agree to assume the full risk of any such injuries, damages or loss regardless of severity which I or my child/ward may sustain as a result of participating in any activities connected or associated with any such program.

“I agree to waive and relinquish all claims I or my child/ward may have as a result of participating in the program against the City of Woodstock and its officers, agents, servants and employees.

“I do hereby fully release and discharge the City of Woodstock and its officers, agents, servants, and employees from any and all claims resulting from injuries, damages, and losses sustained by me or by my child/ward, and arising out of, connected with, or in any way associated with the activities of any of the program(s).

“I have read and fully understand the above release and waiver form.”

PHOTO POLICY—Participants or their parents (if participant is under 18) permit the taking of photos, audio & videotapes during Recreation Department activities for publication and use as the Recreation Department deems necessary.

AFTER YOU HAVE REGISTERED—Please remember that registration is just the first step toward participating in the programs, and it does not guarantee you a space in the class. Registration confirmation will not be mailed, but can be emailed if email address is provided. However, if you do not

hear from us after the registration date has passed, you can contact us at 815.338.4363 to verify your registration. We will contact you if we have difficulty in processing your registration, for reasons such as; the program is full; you have not enclosed the proper amount of payment; we cannot confirm that you live at the address you wrote down; etc.

REFUNDS—We make every effort to expand class size or add classes to accommodate demand for our programs. If we do not have room in our program for you, we will notify you and issue a full refund. All refunds, when requested by the participant prior to the start of the program will be assessed a \$5.00 processing fee to help offset costs. There are no refunds once a program has begun, two weeks prior to a bus trip, or for season pool passes.

CHILD CARE—We understand that it is sometimes difficult to arrange for child care during our programs. Unfortunately, we are not able to accommodate children at any of our adult programs. Siblings and other individuals who are not registered for a program may not attend.

EMAIL POLICY—At the Woodstock Recreation Department we are committed to protecting your privacy. We use the email addresses we collect to process your receipts and to keep you up to date with news and special offers. We do not sell or rent individual customer names or other personal information to third parties. We are not responsible for confirmation emails that do not reach your email account.

Children must be the age or grade listed by the first day of the program-no exceptions.
When grade is listed, grade level applies to the 2016-2017 school year.

AMERICAN RED CROSS LEARN TO SWIM PROGRAM

Ages 4 & Up

The American Red Cross Learn to Swim Program is designed to enhance participant's ability to progress from one level to the next. Personal water safety skills and information are included in all levels. It is not unlikely for a child to repeat a level more than once before passing. A child's attention span is also a key skill which is required in passing one level to the next.

TROTting TOTS

Age: 3-6

Horseback Riding, especially for young children, opens developmental doorways that can lead to a happy and balanced life. This program is designed for 3-6 year olds and builds on the benefits of horseback riding to sharpen focus, instill confidence and improve muscle coordination, core strength, balance and flexibility. Your young child will learn how to communicate with the horse through body signals and cues. They will learn how to groom and saddle a horse as well. Games, songs and body movement

in the saddle help develop not only the mechanics of horseback riding but also your child's listening skills, sense of responsibility and creative expression. This class will be one on one with an instructor for 40 minutes for 4 classes. Time slots are available Monday through Saturday. Register with the Recreation Department and then contact John White Stables to set up your time slot. 4 Classes Min/Max: 1/15

KIDS WITH CAMERAS

Age: 8-13

In this class, children will be learning the steps of composition, that is the MAGIC which makes a professional looking photo. Each week we will study and practice one of each of the steps of composition. For the Intermediate class, we will be adding subjects to our photos and focusing on light to produce even more in-depth and professional looking photos. The last weeks of class you and your child can choose up to three of their photos they have created with their smart phone or camera for a photo show to be held at Material Things located at 103 E. Van Buren St. on the Square. To be involved in the show you must have your pictures framed in an 11 x 14 frame with a mat. Participants must bring their own smart phone or camera that they understand how to use! More info about the show will be available the first week of class. Min/Max: 6/10

BASEBALL/SOFTBALL

Woodstock Girls Softball

Woodstock Girls Softball is a no-cut program for girls ages 5-20. Team practices begin in April. The regular season runs from early Late April - June. Home games are played at Bates Park while away games are played at fields outside of Woodstock. Several "All-Star Tournaments" are played during the month of July to provide a more competitive series of games. WGSL offers a fall league from the end of August through October. Winter Skills Clinics operate from December until the start of the following season. Potential players & coaches are encouraged to participate in the clinics. WGSL has also recently initiated a C-level Travel Program called Storm for those players who want to experience higher caliber competition. This program does require a try-out and players need to be registered in the regular Spring/Summer season. Try-outs are in August and teams practice throughout the winter. Travel League play begins in April and May. Tournament play begins in May/June and may involve up to five tournaments, depending on the age group, through the beginning of August. This program is for those girls who wish to prepare themselves for the higher level of competition involved in high school and includes several Woodstock area high school coaches and assistants. Details are available on the website.

SOCCER

Recreation & Travel Soccer Woodstock United Soccer Association (WUSA)

Woodstock United Soccer Association is an affiliate of the Illinois Youth Soccer Association (IYSA) providing a youth soccer program for girls and boys of Woodstock and the surrounding areas ages 4 - 18.

WUSA is McHenry County's premiere choice for Recreation and Travel Club youth soccer. Both programs governed by one Board of Directors gives families the opportunity to choose the style of play that best suits their children within one organization.

Recreation (House) Program is for players to learn fundamentals of the game while developing self-esteem, teamwork and a winner's attitude. We achieve this through our six philosophies; everyone plays, good sportsmanship, open registration, balanced teams, positive coaching and player development.

Crossfire Travel Program is a program that takes the players the next step into competitive soccer. Our goal is to emphasize competitive soccer through individual development, team commitment, good sportsmanship, positive attitude and soccer fundamentals to provide our players with the skills to prepare them to play in High School and eventually College. We achieve this by using USSF licensed soccer coaches to organize and train youth travel teams that seek the highest level of team competition at local, state and regional levels.

CLUB CHALLENGER

Club Challenger is for students in grades 3-5 and meets one Thursday each month from 4:00-5:30pm. Each month, we will focus on a different area of STEM – science, technology, engineering, and math.

Enrollment is for all four dates. Registrants may not pick and choose dates that they want to attend. The program fee is not refundable and absences cannot be substituted for another session.

Pre-registration is required and can be done online at www.challengerillinois.org or by calling 815-338-7722.

SESSION 1 (FALL 2016)

The cost for Club Challenger is \$80 per participant. The deadline for enrollment is September 19th. The deadline to sign up for Fall Club Challenger will be September 19th.

SEPTEMBER 22nd

Be prepared to get messy! Students will learn about the power of observation and the necessity of experimentation in the scientific process. They will be performing different science experiments that they will then be able to take home with them and show the whole family!

OCTOBER 27th

Bring your creative and critical thinking skills! Students will be working in teams to build various projects with our Cubelets robotics kits using magnetized pieces in order to construct their robots. Students will complete a series of design challenges with these robotic kits, such as building a robot that can be guided through a maze!

NOVEMBER 17th

Invention is the name of the game! Through invention and creativity, students will design structures with Keva Contraptions. Engineers will have first-hand experience with balance, leverage, geometry and principles of physics. Students will work through the invention process in teams to create interesting structures to solve problems.

DECEMBER 15th

Have you ever wondered about the size of the planets or distances in the solar system? How about how much it would take to launch a payload on a rocket into space? We will answer these questions and learn more about the mathematics of space travel.

FAMILY SCIENCE NIGHTS

Family Science Nights are programs that are available throughout the school year for students and parents in our community who would like to add a dash of science to their lives! These programs are offered one Friday every month, and anyone can sign up. The cost is \$17 per participant, and pizza is provided at the start of the event. All events are from 6-8 pm, unless otherwise noted.

Pre-registration is required and payment in full is necessary at the time of registration. Payment is non-refundable except in the case of a program's cancellation. Children attending the program must be accompanied by an adult. Adults attending the program must pay the registration fee as well.

BUILDING WITH BIOLOGY – SEPTEMBER 16th

Ages: Grades K-4

Join us for a night that is all about biology! Young scientists will get a chance to see DNA, examine specimens in microscopes, and even make their own gardens that they can take home with them!

SPOOKY SCIENCE – OCTOBER 7TH, OCTOBER 21st

Ages: All ages

Get into the Halloween spirit this year with the Challenger Learning Center! This special version of our popular Messy Science night features messy and spooky hands-on science activities that are fun for everyone! Our staff will also be putting on some "spooktacular" science demonstrations. Offered TWICE during October. Participants are welcome to come dressed in their Halloween costumes!

FAMILY MISSION - NOVEMBER 11th

Ages: 4th grade and above

This Family Science Night is out of this world! Participants will go on a daring mission to take an up-close look at a comet as it streaks its way across the galaxy. Their goal is to plot a successful course to rendezvous with the comet, launch a probe to collect scientific data of the object, and keep the astronauts safe. What seems at first to be a routine exploration is filled with challenges and emergencies, and each obstacle that stands in the way of the mission requires all participants to work together as a team in order to make the mission a success!

Chief of Police John Lieb cordially invites you to attend his monthly "Coffee with the Chief" open house to share a cup of coffee and let him know what's on your mind. **The informal get-togethers are**

held the second Monday of every month from 7:00 p.m. to 8:30 p.m. in the Training Room at the Police Department located at 656 Lake Avenue.

Chief Lieb is eager to answer any questions you may have or discuss specific concerns impacting your quality of life in our Community. In addition to Chief Lieb, there is often a guest speaker who speaks briefly about his or her job experiences as they relate to the Police Department or the City, or someone from an outside agency or organization that Chief Lieb feels would be of interest or beneficial to "coffee" attendees. Recent speakers have included: Susan Borucki, Emergency Response Facilitator from the McHenry County Department of Health on Emergency Preparedness; Todd Nelson from the McHenry County Bicycle Advocates on bicycle safety on public roadways; and Sergeant Constantino Cipolla, Team Leader for Beat #24 (the southeast quadrant of Woodstock) provided an overview on recent activity in his beat.

If you have a topic you would like Chief Lieb to consider for "Coffee with the Chief," please contact Administrative Office Manager Tamara Reed with your suggestions at 815-338-6787 or at treed@woodstockil.gov.

WHO IS YOUR POLICE BEAT OFFICER?

The Police Department has divided the City of Woodstock into four geographical areas for its Permanent Beat Officer Program. These areas, or police beats, have Officers assigned to them on an annual basis. The program allows Officers to get to know their individual beat and the residents who live and work there and to become familiar with the problems and concerns specific to that area. Officers have been trained in various Community Policing and Problem Solving Policing concepts and strive to work with the residents of their police beat for safety, service and problem resolution.

Some of the projects that the Permanent Beat Officers continue to work on include: gang graffiti eradication; parking enforcement in and around the Square; dog owners and leash laws; youth riding bicycles and skateboards on the Square; and analyzing traffic crash data on Route 47 to identify problem areas.

Residents may contact their beat Officers at any time by phone (815-338-2131); mail (656 Lake Avenue) or email (either use the first initial of your Officer's first name and his entire last name plus @woodstockil.gov or direct it to your specific beat number as in PBO21@woodstockil.gov.)

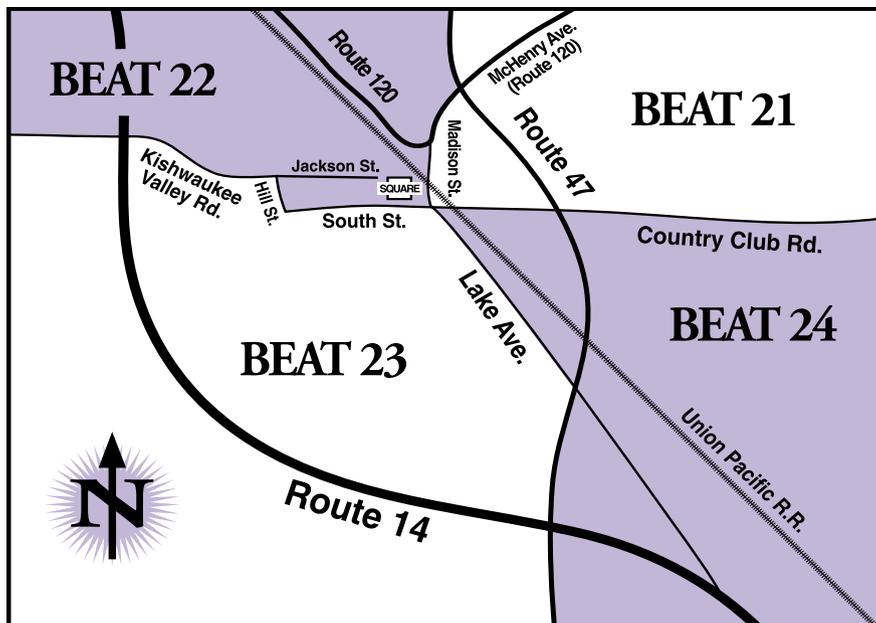

Beat 21 Officers are Matthew Prentice (M), Andrew Reitz (D) and Fred Eiselstein (A).
 Beat 22 Officers are David Sharp (M), William Lintner (D) and Adam Schraw (A).
 Beat 23 Officers are Daniel Henry (M), Richard Dolan (D) and Charles Vorderer (A).
 Beat 24 Officers are Brett Muehlfelt (M), Cory Fink (D) and Sandra Valle (A).

M = Midnight Shift 12:00 A.M. to 8:30 A.M.
 D = Day Shift 8:00 A.M. to 4:30 P.M.
 A = Afternoon Shift 4:00 P.M. to 12:30 A.M.

A specific Patrol Sergeant, known as the Team Leader, is assigned to each beat to better coordinate the efforts of the Permanent Beat Officers. They are as follows:

- BEAT 21 SERGEANT A. RAY LANZ**
- BEAT 22 SERGEANT ROBERT PRITCHARD**
- BEAT 23 SERGEANT GEORGE KOPULOS**
- BEAT 24 SERGEANT CONSTANTINO CIPOLLA**

For questions regarding the Permanent Beat Officer Program, please contact Deputy Chief Jeffrey Parsons at 815-338-6787 or at jparsons@woodstockil.gov.

BE PREPARED FOR HALLOWEEN

Halloween can be a fun and exciting time for children, but it can also be a frightful time for parents. To help ensure everyone has a fun and festive Halloween, the Woodstock Police Department offers the following safety tips:

FOR HOMEOWNERS:

- Make certain that your yard and sidewalk are clear of obstacles or decorations that may be hard to see in the dark.
- Keep your house well lighted both inside and outside.
- Don't wait to report any suspicious or criminal activity to the police department.

FOR TRICK-OR-TREATERS:

- Try to make use of facial makeup instead of masks, as they may obstruct one's vision.
- Keep costumes short to prevent the wearer from easily tripping.
- Wear brightly colored costumes or attach reflective strips to costumes and bags. Also, carry a flashlight or glow stick once it gets dark out.
- Watch out for cars and be careful around jack o'lanterns or other decorations with burning candles.
- Visit homes in your neighborhood that you are familiar with.
- Always let your parents inspect your candy before you eat it and dispose of any item with a torn wrapper or that you are suspicious of. When in doubt - throw it out!

THE RECOMMENDED HOURS FOR TRICK OR TREATING IN THE CITY OF WOODSTOCK ARE 4:00-7:00 p.m. ON MONDAY, OCTOBER 31, 2016.

SENIOR CITIZEN CALL-IN PROGRAM

It is understood that many Senior Citizens within our Community live alone without the benefit of a local family member to check on them frequently. In an effort to provide peace-of-mind and a sense of well-being for our Community's Seniors, the Police Department offers the Senior Citizen Call-In Program.

To be eligible to participate in the program:

1. A person must be sixty-five (65) years of age or older.
2. A person must live alone in a single-family residence (which includes townhomes, apartments and condominiums) which is not part of any senior citizen facility, senior citizen assistance organization or any other organized assisted living program or situation.
3. A person who has no immediate family residing within McHenry County, Illinois.

Those eligible to enroll in the program will need to complete a simple and confidential one-page application form as well as executing a waiver form. It will additionally be necessary that the participating Senior Citizen provide the Police Department with a key to their residence to be used in the event of an emergency. This key will be securely stored in a locked box at the Police Department.

Once accepted into the Program, the Senior Citizen is responsible for calling the Police Department Communications Center between the hours of 6:00 a.m. and 10:00 a.m. each and every day of the week. If this call is not received by 10:00 a.m., a Telecommunicator will call the Senior's residence to check on their well-being. If there is no answer at that time, a Police Officer will be sent to the residence and, using the key provided, will ascertain whether or not help is needed.

Senior Citizens interested in obtaining an application to be considered for participation in the program are encouraged to contact Administrative Office Manager Tamara Reed at 815-338-6787 during the hours of 8:30 a.m. to 5:00 p.m. Monday through Friday.

TRAFFIC CONCERNS

Q. WHY WASN'T I ISSUED A WARNING INSTEAD OF A TICKET? I HAVEN'T HAD A TICKET IN 15 YEARS.

A. Although Officers are allowed to use discretion, simply not having a ticket in "x" amount of years does not necessarily mean the law was not violated. Officers are present to educate the public and enforce the law. If an Officer determines probable cause for a citation exists, it is the Officer's responsibility to enforce the law. If anyone breaks a traffic law in Woodstock and a Police Officer stops you, it is possible that you will receive a ticket. Remember, it is the Officer's job to enforce the law and it is not a personal attack. It is certainly not the most pleasant part of an Officer's job, but it is part of his or her job.

Q. WHEN CAN MY 16 YEAR OLD DRIVE?

A. The graduated licensing law is straight forward. Drivers with a graduated driver's license (those 16 and 17 years of age) must stop driving prior to one hour of the curfew time. For instance, curfew is at 11:00 p.m. Sunday – Thursday. Driver's holding a graduated driver's license cannot drive after 10:00 p.m. or earlier the 6:00 a.m.

On Friday and Saturday nights, the curfew is midnight. Therefore, teens can drive until 11:00 p.m.

Exceptions are clearly outlined on the Secretary of State's website www.cyberdriveillinois.com.

As for passengers, teens can only have one unrelated passenger under the age of 20 in the vehicle for the first 12 months of having a license.

Reminder: The use of cell phones or any type of electronic handheld device is illegal and strictly prohibited while operating a motor vehicle in the State of Illinois.

Q. CAN I PASS A STOPPED SCHOOL BUS COMING FROM THE OTHER WAY ON A FOUR-LANE ROAD?

A. If it is a four-lane road (such as some parts of Routes 14 and 47) and the school bus is stopped with its red lights on and stop arm extended, the opposing lanes do not have to stop. If a motorist is traveling in the same direction as the bus on this four-lane road, the vehicle **MUST** stop. If it is any other typical two-lane road, traffic in both directions must stop.

Q. WHAT ABOUT PASSING A BUS WHEN THE YELLOW LIGHTS ARE ON?

A. School bus drivers typically turn on flashing yellow "warning" lights at least 150 feet prior to their bus stop. This provides motorists with plenty of time to safely stop prior to the red lights and stop arm extending. A conviction for passing a stopped school bus is a minimum mandatory fine of \$500 and a three-month suspension of a driver's license

BACK TO SCHOOL TIME!

Just a reminder to everyone that District #200 classes began on Thursday, August 18, 2016 with Marian Central Catholic High School and St. Mary Catholic School having started on Wednesday, August 24, 2016. While driving please be alert to the additional pedestrian traffic as children walk to and from school each day. Illinois law requires drivers to stop and yield to

pedestrians in crosswalks. Remember to obey the 20 M.P.H. speed limits in designated school zones. In addition, be alert to school bus stop arms and warning lights indicating that the bus is loading or unloading students. No vehicle may overtake or pass a school bus with the stop arm extended.

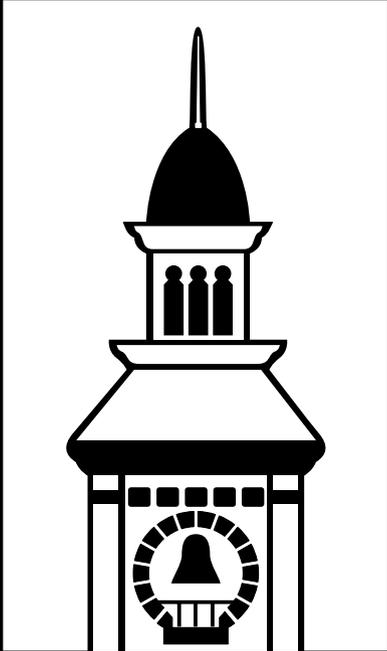

The Police Department will have extra patrol assigned around the schools initially to help ensure safety while everyone becomes accustomed to school being open again. PLEASE DRIVE CAREFULLY!

QPR GATEKEEPER TRAINING - COME JOIN US IN BEING A PART OF THE SOLUTION!

Suicide is a public health issue. Nearly 40,000 people in the United States die from suicide annually, or 1 person every 13 minutes. More people die by suicide than from automobile accidents. Take the QPR (Question, Persuade, Refer) Suicide Prevention Course. In as little as 1½ hours, individuals can learn to recognize the warning signs of suicide and how to apply three simple steps that may save a life. Each attendee will receive a QPR booklet and card with information on suicide prevention, as well as resource information for treatment and support within their community. The classes support offered are three separate sessions of the same presentation, thus attendance is only needed at one session. A minimum enrollment of 5 persons must be reached to host the course.

All sessions will be held in the lower level of the Woodstock Public Library located at 414 W. Judd Street, Woodstock, IL.

STREET MAINTENANCE & RESURFACING PROGRAM

The annual Street Maintenance & Resurfacing Program is one of the most important projects the City undertakes each year to continue to provide a quality street system for the City’s residents. There are three (3) main components to the City of Woodstock’s Street Maintenance & Resurfacing Program:

1. CRACK SEALING – This program consists of the application of sealant to street cracks to prevent water and debris from entering. If cracks are left untreated, the pavement’s base material can weaken, increasing the flexibility of the pavement surface, causing additional cracks to form. This treatment must be repeated and is very effective at prolonging pavement life. Work in Ontario has shown this treatment adds approximately five years of service life to pavement.

2. STREET RESURFACING – Street resurfacing work is the most expensive component in the program. In addition to resurfacing of the paved area, failed concrete curb and gutter is removed and replaced, handicapped ramps at intersections are inspected and improved, and the road base is inspected and improved as necessary.

3. PAVEMENT MARKING – The program provides contracted pavement marking services for approximately 117 miles of City streets. Marking services include centerline markings, crosswalks, stop bars, arrows, edge lines, downtown parking stalls, public parking lots and special markings such as turn lanes.

Work in all three (3) components of the program is scheduled to begin in September and be completed by the end of October, weather permitting.

Streets that were originally scheduled for maintenance or resurfacing as part of the 2016 Street Maintenance & Resurfacing Program are as follows:

ACTIVITY	STREET	FROM	TO
Resurfacing	Becking Avenue	Conway Street	Dane Street
Resurfacing	Country Club Road	1,900’ west of Club Road	2,500’ east of Club Road
Resurfacing	Madison Street	South Street	Fremont Street
Resurfacing	West Jackson Street	Tryon Street	Throop Street

*Because of favorable bid prices, the City will complete some additional work at the following locations:

- Applewood Lane
- Aspen Drive
- Tanager Drive
- Boulder Lane
- Oak Street
- Willow Avenue
- Beach Avenue
- Blakely Street
- Cobblestone Way & Pond Point (intersection only)

If you have any questions about the City’s Street Maintenance & Resurfacing Program, please contact the Department of Public Works at pwdept@woodstockil.gov or (815) 338-6118.

HYDRANT FLUSHING

The fall hydrant flushing program will be administered over a period of 3 weeks. It is scheduled for:

Monday, September 12 through Tuesday, September 20 – west of Illinois Route 47

Wednesday, September 21 through Thursday, September 29 – east of Illinois Route 47

There is no scheduled hydrant flushing on Saturdays or Sundays.

During this period, some loss of pressure and discoloration of water may occur. This condition does not present any health hazard and will only be temporary. Due to this discoloration, residents are urged to check their water quality prior to doing laundry and to avoid doing any laundry when hydrants will be flushed in your area. If you have any questions regarding the hydrant flushing, or when flushing will occur in your neighborhood, please contact the Department of Public Works at (815) 338-6118, or via e-mail at pwdept@woodstockil.gov.

LEAF COLLECTION

During a four-week period each fall, the Department of Public Works collects leaves that have dropped to the ground. To provide this service, City crews tow large vacuums along the edge of the road to pick up piles of leaves that residents rake to the parkway. While the process is very effective, it is not possible to guarantee collection of every leaf as timing of the leaf drop, parked cars, wind, rain, and temperature can affect the collection process. The City encourages residents to consider bagging their leaves as a more complete method of collection. A better option and one that provides direct benefit to turf lawns is to mulch leaves into smaller particles. While the resulting material changes the familiar appearance of the turf, the resulting particles decompose into the ground and provide valuable nutrients to the soil.

Should a resident choose to utilize the City's collection service, it is imperative that they avoid raking leaves into the street. Doing so lets the leaves wash onto storm water collection grates and into the underground pipes where they increase the likelihood of flooding during rain events.

Leaf collection begins on Monday, October 24 and will progress along the following schedule as follows:

MONDAY, OCTOBER 24

Leaf collection begins on all streets north of the railroad tracks during the week of October 24 – October 28. Residents in this area must have their leaves raked to the parkway by 7:00 am on Monday, October 24.

MONDAY, OCTOBER 31

Leaf collection begins on all streets south of the railroad tracks during the week of October 31 – November 4. Residents in this area must have their leaves raked to the parkway by 7:00 am on Monday, October 31.

MONDAY, NOVEMBER 7

Weather permitting, the final collection from all streets north of the railroad tracks occurs during the week of November 7 – November 11. Residents in this area must have their leaves raked to the parkway by 7:00 a.m. on Monday, November 7.

MONDAY, NOVEMBER 14

Weather permitting, the final collection from all streets south of the railroad tracks occurs during the week of November 14. Residents in this area must have their leaves raked to the parkway by 7:00 am on Monday, November 14.

If you would like the City to collect leaves at your property, it is very important that you have the leaves raked to the parkway by these specific dates. No vehicles should be parked on the street within twenty (20) feet of any leaf pile. Residents who prefer to bag their leaves for collection please contact the Department of Public Works at (815) 338-6118, or via e-mail at pwdept@woodstockil.gov to request pickup of bagged leaves. Leaves must be placed in paper bags only. The bulk collection of leaves along state highways can be dangerous for the leaf collection crews, and residents along Route 47 and Route 120 are encouraged to bag their leaves and phone the Public Works Office to arrange for collection. This, however, is only a request and is not mandatory.

Once the scheduled bulk collection is completed, the Department of Public Works will continue to collect bagged leaves until the end of the day Friday, December 2, 2016. Contact the Public Works Department for more information at pwdept@woodstockil.gov or call (815)338-6118.

TAPPAN, ASH, WALNUT STORM SEWER IMPROVEMENTS

Construction has wrapped up and restoration is underway on the first phase of the City's three-phase storm sewer project near the intersection of Tappan/Ash/Walnut streets. This project was broken up into three phases in order to take advantage of grant funds made available through a Community Development Block Grant. The City has already been confirmed to receive grant funds for phase 1 and phase 2 and an application has been submitted for funding assistance with the final phase of the project. The first phase of the project has met substantial completion consisting of a new storm sewer line extending from Tappan/Ash/Walnut streets, north along Tappan, and emptying into Silver Creek.

Phase 2 will start in August and Phase 3 is anticipated to begin in the spring of 2017 and completed later that same summer. As mentioned previously, this project is partially funded through Community Development Block Grant Program which is administered locally through McHenry County's Planning & Development Department. Please contact the Department of Public Works for more information at pwdept@woodstockil.gov or call (815)338-6118.

U.S. ROUTE 14 MULTI-USE PATH

The Illinois Department of Transportation's U.S. Route 14 highway reconstruction project from West Lake Shore Drive to Lucas Road has included the installation of a 10-foot wide multi-use path; however, the project leaves a 1,400-foot gap between the City of Woodstock's existing path on Lake Avenue and IDOT's path beginning near West Lake Shore Drive. If this gap remains, it will force users to leave the safety of the path on Lake Avenue to travel into the shoulder of a major highway, creating an unsafe condition to meet the path again at West Lake Shore Drive.

In response, the City of Woodstock approved an intergovernmental agreement with McHenry County and the McHenry County Conservation District on February 17, 2015 formalizing the expectations of the design, construction, maintenance, reconstruction, and proposed funding to fill in the gap of the current multi-use path. This agreement was approved with the stipulation that the City would enter into an intergovernmental agreement with the State of Illinois whereby the State of Illinois would agree to pay for 80% of the construction costs of the path and McHenry County would pay the State required 20% local match. In the agreement with the State of Illinois, the City agreed to pay for surveys, acquisition of necessary rights of way, prepare plans and specifications, receive bids, award the contract, and pay for the construction and engineering inspection costs. The State of Illinois agreed to reimburse the City for 80% of the costs associated with the construction of the path once the State received an invoice from the City. The City Council approved the intergovernmental agreement with the State of Illinois on April 7, 2015 and it was formally approved by the State of Illinois on May 12, 2015.

On Friday, July 1, 2016, the Department of Public Works received and publically read aloud bids for the construction of the multi-use path along U.S Route 14 between Lake Avenue and West Lake Shore Drive. The contract was awarded by the City Council on Tuesday, July 19, to Berger Excavating Contractors, Inc. from Wauconda with a bid amount of \$232,203.29. The completion date for this project as stated in the bid specifications is September 16, 2016.

PARKING IN AND AROUND THE SQUARE

The City of Woodstock provides approximately 1,500 FREE parking spaces in and around the downtown Square. The Downtown Parking Map (below) shows available parking lots and on-street parking locations; parking time restrictions are posted at each location. Making it even easier to park and get around downtown is a Pedway connecting the Throop Street parking lot directly behind the Woodstock Theatre with Main Street and the Woodstock Square. Did you know that the train commuter lots are also free? Many other communities charge daily fees at the commuter lots. While downtown, be sure to visit the unique restaurants as well as an eclectic array of shops, boutiques and galleries. Several new businesses have recently opened, including: **Corner Pub & Grille**, 135 Washington Street; **G4 Guitar Method Guitar School**, 216 Main Street; **Burseth Farm Goatmilk Soap & More**, 110 N. Benton Street; **D & A salon | apothecary**, 108 N. Benton Street; **Trading Spaces**, 105 E. Van Buren Street; and **Sonshine Girl Boutique**, 129 W. Van Buren Street. Remember to support the local businesses that support your community.

RECYCLING BINS AVAILABLE AT CITY HALL

With the wide variety of materials that Woodstock residents can recycle through MDC Environmental Services, some households may need more than one recycling bin. If you need additional recycling bins, they are available at the information desk located on the first floor of City Hall. Two styles of containers are available:

a carry-style bin for \$8.00, and a slightly-used wheeled recycling toter for \$20.00.

Residents are encouraged to print their street addresses clearly on the bins. Hopefully, any found bins will then be returned to the correct house if the bins blow away.
