

"Pride of our Nation"

For 100 years, the Service Flag has been hung in windows in homes, City Halls, and places of work for soldiers serving our Country during times of war. To show pride, honor, and sacrifice, these Blue and Gold Star flags have been a prominent part of our history since World War 1.

Please join us as we not only take a look back at the history of the Service Flag, but also share compelling human interest stories of families who sacrificed so much for the cause of freedom. In addition, our educational program includes a comprehensive display of Service Flags and homefront memorabilia for your viewing.
