Re: City of Woodstock Hickory Lane pavement maintenance project

Dear Resident:

Beginning Monday, August 1, 2016, Woodstock's Street Maintenance Division will close sections of Hickory Lane between Dean Street and Winslow Avenue for pavement maintenance. In an effort to improve and maintain the quality of City streets, staff will remove failing portions of pavement, perform road base repair, and replace affected areas with new pavement.

Street Maintenance Division staff will maintain detour signage to move traffic safely around the areas under construction and notification communicated using a portable message signboard as well. To reduce negative impact on traffic flow, as well as affected residents, planned maintenance includes block-by-block closures throughout the month of August. Re-opening of each individual section of Hickory Lane will occur once work is completed, and remain open until the next scheduled closure date (see below):

HICKORY LANE CLOSURE SECTION	CLOSURE DATES
Dean Street to Mitchell Street	Monday, August 1 st to Friday, August 5 th
Mitchell Street to Muriel Street	Monday, August 8 th to Friday, August 12 th
Muriel Street to Blakely Street	Monday, August 12 th to Friday, August 19 th
Blakely Street to Sando Lane	Monday, August 22 nd to Friday, August 26 th

We appreciate your patience during this project and believe the finished project will outweigh any inconvenience. If you have questions regarding the project, please contact the Street Maintenance Superintendent at pwdept@woodstockil.gov or (815) 338-6118.

Sincerely,

Barry Pierce
Street Maintenance Superintendent
