TODAY'S DATE: Tuesday, September, 20, 2016

ROAD(S) AFFECTED: Madison Street, between South Street and Fremont Street

COMMENTS: Work that was previously scheduled to begin on Wednesday, September 21, 2016 for the reconstruction of Madison Street between South Street and Fremont Street has been moved back to Monday, September 26, 2016.

The road will be open to thru traffic while the work is being done and no road closures are expected. Traffic control will be in place during the entire project; however, lane widths will be reduced. Drivers are requested not to park their vehicles on Madison Street between 7:00 am until 4:00 pm as it will slow construction and expose vehicles to dust and dirt.
