Dear Resident or Small Commercial Business Owner:

This letter details the current information regarding the Electric Aggregation Program that your community authorized by referendum. Your community is participating in the Northern Illinois Electric Aggregation Consortium (NIGEAC) Program. The following provides details to answer the basic questions that most customers might have.

First, we would like you to know that NIGEAC is an Intergovernmental Consortium comprised of six Member communities; the Cities of Genoa and Woodstock and the Villages of Algonquin, Huntley, Lakewood and Ringwood. The six communities have come together to obtain efficiencies and greater bargaining power as we attempt to provide you with a valuable option in your attempts to manage your electric bills.

Direct Energy won a recent competitive bid process and will remain our program's electric supplier through the bill you receive in July 2015. Our offer with Direct Energy has features that we hope you will find attractive.

1. We have set a 1-year fixed rate at 7.20 cents/kWh. That rate is approximately 10% less than the forecasted alternative rate from Commonwealth Edison (ComEd), and
2. We have negotiated an agreement that allows you to leave free of charge at any time for any reason.

Included with this letter is an opt-out notification from Direct Energy, please review it carefully. You have two choices:

1. If you have received this notice and want to participate in the Electric Aggregation Program, you do not need to do anything. You will be automatically enrolled.
2. If you do not wish to participate in the program, you will need to call Direct Energy or complete the opt-out section and mail back to Direct Energy by June 10, 2014.

We hope this letter and the accompanying FAQs are helpful as you make your decision about your electric service. If you have any questions, please contact Direct Energy's call center personnel toll free at 1-866-760-6040.

Sincerely,

John Schmitt

IMPORTANT INFORMATION
From NIGEAC and Direct Energy
regarding your Electricity Generation Service.

Dear <Customer Name>:

<Date>

Direct Energy is NIGEAC's chosen electricity supplier for its Electricity Opt-Out Aggregation Program! The Northern Illinois Governmental Electric Aggregation Consortium (NIGEAC) is an Intergovernmental Agency representing the Cities of Genoa and Woodstock and the Villages of Algonquin, Huntley, Lakewood and Ringwood.

This exciting program offers:
A fixed rate of \$0.0720 per kWh

We are pleased to announce that NIGEAC has selected Direct Energy as the electricity supplier for NIGEAC's Electricity Opt-Out Aggregation Program (the "Program"). Under this arrangement, Direct Energy will supply your electricity at the fixed rate of \$0.0720 per kWh beginning with the next eligible meter read date that takes place after the opt-out period and this rate will continue through the bill you receive in July 2015. Please note that this special rate does not include utility charges and taxes. After your July 2015 bill, your agreement with Direct Energy will terminate and your electricity service will be switched to the utility or another supplier chosen by NIGEAC unless NIGEAC and Direct Energy enter into an agreement for a new opt-out program ("Renewal Program").

With Direct Energy's electricity plan, you can cancel at any time without an early cancellation fee. The Program runs through the bill you receive in July 2015. However, after your July 2015 bill, your agreement with Direct Energy will terminate and your electricity service will be switched to the utility or another supplier chosen by NIGEAC unless NIGEAC and Direct Energy enter into an agreement for a Renewal Program under which you will also have an opportunity to opt-out without penalty.

To be eligible to participate in the Program, you must:

- Have a residence or business located in the cities and villages represented by NIGEAC
- Receive your electricity generation service from Commonwealth Edison (ComEd) (and therefore not be under contract with another retail electricity supplier) or be a current member of the Program
- Be current with your electricity bill payments

If you do NOT wish to take advantage of this electricity program, you must "Opt-Out" by using the instructions on the reverse side of this letter.
Please note that if you cancel your agreement to return to utility service after enrollment into the Aggregation Program, and do not switch to another supplier within 2 months, you will be required to remain with the utility for a period of 12 months.

Why NIGEAC Electricity Opt-Out Aggregation Program is a Smart Choice:

- **It's Easy to Participate.** You don't have to do anything to enroll! All eligible consumers will be automatically enrolled in the Program. Your local utility will continue to send your monthly electricity bill, and you will continue to send only one payment to the local utility for their charges and Direct Energy's charges. Also, your local utility will continue to provide service for any emergency or maintenance issues.

You will be **automatically enrolled** in the NIGEAC's Electricity Opt-Out Aggregation Program unless you choose **NOT** to participate by "opting-out". If you do NOT wish to participate in the Program, you must "opt-out" by calling Direct Energy by **June 10, 2014 OR** by completing the "opt-out" Election Form below and returning it to Direct Energy with a postmark date no later than **June 10, 2014**. If you "opt-out" of the Program, your electric supply will be supplied by your local utility at its default supply rate.

You will find additional details about the NIGEAC Electricity Opt-Out Aggregation Program in the Frequently Asked Questions and Terms and Conditions within this mailer. Please read them carefully. If you have additional questions about this offer, please contact Direct Energy at 1-866-760-6040, Monday through Friday from 8:00 a.m. to 8:00 p.m. EST, and Saturday from 8:00 a.m. to 5:00 p.m. EST (contact center hours subject to change without notice).

If you are a current NIGEAC Aggregation customer and you wish to receive this rate nothing is required from you. Your August 2014 bill should reflect the new rate of \$0.0720 per kwh until you receive your bill in July 2015. Please see the attached FAQ for further information.

NIGEAC Electricity Aggregation Opt-Out Program Election Form

(Please check the box below if you wish to opt-out of the NIGEAC Electric Aggregation Program)

- I elect **NOT** to participate in the NIGEAC Electricity Opt-Out Aggregation Program with Direct Energy.
Please return the election form to: Direct Energy – NIGEAC Aggregation, PO Box 180, Attention Processing, Tulsa, OK 74101.

Account Holder's Name: _____ Date: _____
Please Print

Reference Number: <Reference Number> Phone Number: _____

Service Address: _____

City: _____ State: IL Zip-Code: _____

Signature: _____

This form must be post-marked no later than June 10, 2014.

IMPORTANT NOTICE: By returning this signed form, I affirmatively elect NOT to participate in NIGEAC's Electricity Opt-Out Aggregation Program. By electing not to participate, I understand from the accompanying materials that I will forego the benefits of this Program. I understand that I must complete this form and mail it to Direct Energy with a postmark no later than June 10, 2014. If this form is not postmarked by this date, I understand that I will be automatically enrolled in the NIGEAC's Electricity Opt-Out Aggregation Program. I assume full responsibility to send to Direct Energy the "opt-out" Election Form.

Service is subject to enrollment processing timelines as determined by your local utility and Direct Energy Terms and Conditions of Agreement.

If you believe you received this letter in error, please contact Direct Energy's call center immediately at 1-866-760-6040 to ensure that you are not automatically enrolled in the NIGEAC Electricity Aggregation Program.

Northern Illinois Governmental Electric Aggregation Consortium (the "Governmental Aggregator") and Direct Energy Services, LLC ("Direct Energy")**Electricity Opt-Out Aggregation Program****Terms and Conditions and Appointment of Limited Agent (the "Agreement")**

1. Terms of Service. The essential terms of your electric generation service are as follows: These Terms and Conditions together with the Rate Plan Summary (defined below), which is incorporated herein by reference, constitute the agreement ("Agreement") between you and Direct Energy Services, LLC ("Direct Energy"). "Rate Plan Summary" means, as applicable, either the section of the enrollment consent form/letter of authorization entitled 'Rate Plan Summary' or the Schedule A accompanying these Terms and Conditions entitled 'Rate Plan Summary – Schedule A to Terms and Conditions'.

2. Agreement to Purchase Electric Generation Service. This Agreement serves as the agreement for electric generation service to be provided to you by Direct Energy. Subject to Direct Energy's acceptance of your enrollment under this Agreement and acceptance by your Electric Utility, you agree to become a Direct Energy customer and appoint Direct Energy as your limited agent and supplier of electric service to perform the necessary tasks associated with your electric generation service and fulfill the terms of this Agreement pursuant to the terms of the Governmental Aggregator's Electric Opt-Out Aggregation Program. You authorize Direct Energy to obtain information from your Electric Utility that includes your account number, billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. Direct Energy agrees to sell to you, and you agree to purchase and accept, the quantity of electricity delivered to you, as measured and/or estimated by your Electric Utility, all in accordance with the prices, terms and conditions set forth in this Agreement. Your Electric Utility will continue to deliver your electricity and provide billing and other services. Direct Energy is licensed by the Illinois Commerce Commission (the "Commission") as an "alternative retail electric supplier" to sell electric generation service in Illinois.

3. Opt-Out Rights, Cancellation. Your account automatically will be included in the Governmental Aggregator's Aggregation Program, and subject to the prices, terms and conditions of this Agreement, unless you opt out by calling Direct Energy at 1-866-760-6040 by the date set forth on the document(s) sent to you by Governmental Aggregator and Direct Energy, or by signing and dating the opt-out form sent to you by the Governmental Aggregator and Direct Energy and returning it to Direct Energy at the address listed on the opt-out form by the date set forth on the opt-out form, unless your account otherwise is ineligible for the program. If you do not opt out by the applicable date, or do not rescind within the ten (10) day rescission period, you may cancel service under this Agreement at any time during the Initial Term. To cancel your service, you must contact Direct Energy by telephone or in writing using the contact information set forth in Section 16. It will take one (1) to two (2) billing cycles for your Direct Energy service to be cancelled.

4. Pricing, Billing and Payment Terms. During the Initial Term, you will pay Direct Energy for your electric generation service at the price set for the Initial Term, as set forth in the Rate Plan Summary. This price includes electric generation transmission charges and but *excludes* all other applicable taxes, and other utility fees and charges. Electric generation service prices of electric suppliers, such as Direct Energy, are set competitively and are not regulated by the Commission. As to your billing and payment terms, your Electric Utility will send you a bill monthly which will set forth the total electric service charges for your electric service. That bill will contain, among other charges, Direct Energy's electric generation service price multiplied by the amount of electricity you used during the billing cycle, as measured and/or estimated by your Electric Utility. Your payment will be due to the Electric Utility by the date specified in the Electric Utility bill.

5. Term of Agreement. The Initial Term of your service will begin with the next eligible meter read date that takes place after the opt out period expires and continues through the billing cycle listed on your Rate Plan Summary, subject to earlier termination pursuant to this Agreement. The start of your service is subject to the timing of your enrollment under the electric utility's meter reading schedule. Accordingly, if your enrollment is not accepted by the electric utility by the applicable meter reading date for your particular billing cycle, your service will not start until the following billing cycle.

6. Renewal; Notice of a Change to this Agreement. Upon completion of the Initial Term, this Agreement will terminate and your electric service will be switched to the Electric Utility or to another alternative retail electric supplier as determined by Governmental Aggregator on your next available meter date unless the Governmental Aggregator and Direct Energy enter into an agreement for a Renewal Electric Opt-Out Aggregation Program ("Renewal"). If the Renewal occurs, you will be notified of the Renewal, receive a written notice of any proposed changes to the price, terms and conditions of this Agreement, and have the ability to opt-out of the Renewal Electric Opt-Out Aggregation Program without penalty under the opt-out process described in Section 3 and the Governmental Aggregator's aggregation plan. If you decide to opt-out of the Renewal Opt-Out Aggregation Program, your electricity service will be switched to the Electric Utility.

7. Right of Rescission. Your Electric Utility will send you a written notice confirming your decision to enroll with Direct Energy. You have the right to rescind this Agreement, without a cancellation fee, within ten (10) business days after your Electric Utility accepts your enrollment request by contacting Direct Energy or your Electric Utility using the contact information set forth in Section 16 below.

8. Termination and Relocation. You understand that this Agreement will terminate automatically without penalty if any of the following occurs: (a) The requested service location is not served by the incumbent electricity company, (b) you move outside the incumbent electricity company's service area, to an area not served by Direct Energy, or to an area outside the Governmental Aggregator's territory, (c) Direct Energy or the Governmental Aggregator returns your service to your Electric Utility, provided Direct Energy is permitted to terminate under the terms and conditions of this Agreement, or (d) you are found to be ineligible to participate in the Governmental Aggregation Program pursuant to law, the Electric Utility's tariff, or the Governmental Aggregator's Plan of Operations and Governance. If you move within the Governmental Aggregator's territory and wish to continue taking service from Direct Energy under this Agreement you must contact Direct Energy with your new service location account information in a timely fashion to transfer your service. You understand that processing the move will be subject to utility transaction processing timelines. Further, you understand that you are responsible for any switching fees imposed by your Electric Utility.

9. Direct Energy's Right to Cancel Service. You are affirming to Direct Energy that you have provided Direct Energy with your correct and complete name, address and contact information and you do not have any outstanding balance with Direct Energy. If there is any evidence that any of these statements are or become untrue, or you otherwise provide fraudulent or misrepresented information, Direct Energy can cancel this Agreement immediately. Also, if due to a change in, or adoption of, any laws, regulations, rules or due to any acts of any governmental authority, performance of this Agreement becomes materially uneconomical to Direct Energy, or if Direct Energy is otherwise unable to continue this Agreement, Direct Energy can cancel this Agreement after giving you at least fourteen (14) days' advance

written notice. If Direct Energy cancels this Agreement, you must still pay all Direct Energy charges through the date you are switched to another supplier or returned to the Electric Utility for service. Your cancellation will not be effective until the next regularly scheduled meter read date following the date on which Direct Energy gives notice to the Electric Utility of your cancellation request.

10. Electric Utility's Right to Cancel Service. If you are having trouble paying, contact your Electric Utility to see if it has a payment plan or other solution available to you. If you do not pay the total electric service charges on your bill, your Electric Service may be disconnected by the Electric Utility. You could also incur late fees. Your Electric Utility will give you notice in the time frame prescribed by the Commission before it disconnects your Electric Service. The Electric Utility may also disconnect your electric service in certain urgent situations such as: (a) the existence of a known dangerous condition; (b) where service is connected without authority by a person who has not made an application for service; (c) where service is reconnected without authority after disconnection for nonpayment; (d) where there has been tampering with equipment (after investigation); or (e) where there is evidence of theft of service (after investigation). This Agreement is automatically cancelled if the Electric Utility disconnects you and returns you to service from your Electric Utility.

11. Disputes. You should contact Direct Energy regarding any dispute related to this Agreement. Direct Energy will attempt to resolve the dispute in an efficient, fair and timely manner. Direct Energy will provide an acknowledgment to your dispute within a reasonable time after receipt. Direct Energy will then issue a report within thirty (30) days after initiation of the dispute. Direct Energy will report to you the results of its investigation of the dispute, and that report will be available to you upon request. If you are not satisfied after discussing your terms of service with Direct Energy, you may contact the Commission. The contact information for both Direct Energy and the Commission is set forth in Section 16 below.

12. Title to Electricity. Title to the electricity will pass from Direct Energy to you when it is delivered by Direct Energy to the Electric Utility.

13. Uncontrollable Forces. Direct Energy will make commercially reasonable efforts to provide your electric service, but does not guarantee a continuous supply of electricity. Certain causes and events are out of Direct Energy's reasonable control and may result in interruptions in service. Direct Energy is not responsible for transmitting or distributing electricity. Direct Energy is not liable for damages caused by acts of God, changes in laws, rules, or regulations or other acts of any governmental authority (including the Commission or PJM Interconnection, LLC, the operator of the regional power grid), accidents, strikes, labor troubles, required maintenance work, inability to access the local distribution utility system, nonperformance by the Electric Utility or any other cause beyond Direct Energy's reasonable control. In addition, you may be required to pay any additional or increased fees or charges that are generally beyond Direct Energy's reasonable control including, but not limited to, fees for switching, disconnecting, reconnecting or maintaining electric service or equipment, or transmission charges, that are imposed by law, rule, regulation or tariff, or Commission rule or order. These charges or fees will be passed through to you and added to your price.

14. Limitations of Liabilities. Liabilities not excused by reason of force majeure or otherwise will be limited to direct actual damages. Direct Energy will not be liable to you or any third party for consequential, incidental, punitive, exemplary or indirect damages. Direct Energy is not liable for interruptions to, or shortages of, electricity supply, nor is it liable for any resulting associated loss or damage. These limitations apply without regard to the cause of any liability or damage.

15. Direct Energy's Representations and Warranties; Limitation. The electricity provided under this Agreement will meet the quality standard of the Electric Utility and will be supplied from a variety of electric generation sources, including the electricity provided pursuant to any renewable energy requirements. Direct Energy makes no representations or warranties other than those expressly set forth in this Agreement. DIRECT ENERGY EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

16. Contact Information.

Direct Energy: You may contact Direct Energy in one of the following ways: (a) call 1-866-760-6040, Monday through Friday 8:00 a.m. to 8:00 p.m. EST, and Saturday 8:00 a.m. to 5:00 p.m. EST (contact center hours subject to change without notice); or (b) write to Direct Energy at PO Box 180, Tulsa, OK 74101-0180 (be sure to include your account number(s)). Direct Energy's internet domain address is: <http://www.directenergy.com>. Answers to frequently asked questions can be found on Direct Energy's website.

Your Electric Utility: For utility customer service, outage, service interruption or emergency, please contact Commonwealth Edison, your Electric Utility, at 1-800-334-7661. You may write your Electric Utility Customer Care Center at P.O. Box 805379, Chicago, Illinois 60680-5379.

The Commission: You may contact the Illinois Commerce Commission, with an Informal Complaint or otherwise, as follows: (a) call 1-800-524-0795; or (b) write to 527 East Capitol Ave., Springfield, Illinois 62701.

17. Privacy of Customer Information. Direct Energy will not release your social security number and/or account number(s) without your affirmative written consent except if assigning this Agreement to another retail energy service provider or where such release is required by court order or by commission order or rule.

18. Choice of Law. This Agreement will be governed by Illinois law, without regard to its conflict of law principles.

19. Miscellaneous Provisions. This Agreement is subject to applicable laws and supersedes any previous promises, understandings and agreements. If any provision of this Agreement is deemed invalid, illegal or otherwise unenforceable, you agree that it shall be modified to the minimum extent necessary to render it valid, legal and enforceable. If a provision cannot be modified in a manner that would make it valid, legal and enforceable, the provision shall be severed from the Agreement, and all other provisions shall remain in full force and effect. Any failure on our part to enforce any of the terms of this Agreement or to exercise any right under such terms shall not be considered a waiver of Direct Energy's right to enforce each and every such term, exercise such right or exercise any other right under this Agreement. You may not assign this Agreement without Direct Energy's prior written consent. Direct Energy may: (a) transfer or sell this Agreement or your account in connection with any financing; (b) assign this Agreement to any of its affiliates; (c) transfer or assign this Agreement to anyone succeeding to all or substantially all of Direct Energy's assets or business; and (d) transfer this Agreement to another supplier licensed by the Commission. After assignment, Direct Energy will have no further obligations under this Agreement. This Agreement is binding upon you and Direct Energy, and will further bind each of your successors and permitted assigns. There are no third-party beneficiaries to this Agreement.

Direct Energy
NIGEAC's Electricity Opt-Out Aggregation Program
Frequently Asked Questions

WHAT IS AN ELECTRICITY OPT-OUT AGGREGATION PROGRAM?

Under this Electricity Opt-Out Aggregation Program, NIGEAC acted on behalf of its residents and local small businesses to select a supplier to provide retail electricity service to the consumers as a group (also called an "aggregation"). The supplier, through its ability to buy electricity for the aggregation in large quantities, was able to secure a long-term supply of electricity at competitive rates.

HOW DO I ENROLL?

You do not have to do anything to enroll. All eligible customers will be **automatically included** in the program unless you choose to "opt-out." If you do not respond to the enclosed letter, Direct Energy will work with your utility to complete the enrollment process. However, if you do not want to enroll in the program, you have until June 10, 2014 to opt-out. **Please note that if you cancel your agreement to return to utility service after enrollment in the Program, and do not switch suppliers again within 2 months you will be required to remain with the utility for a period of 12 months. If you are a current customer under the NIGEAC Aggregation program, nothing is required from you. Your rate will automatically change to \$0.0720 per kWh on the bill you receive in August 2014 bill.**

WHEN WILL THE PROGRAM START AND END?

The Program will begin with your next eligible meter read date that takes place after the opt-out period and will continue through the bill you receive in July 2015. Your Agreement with Direct Energy will continue month-to-month under the same price, terms and conditions until NIGEAC and Direct Energy enter into an agreement for a new opt-out program or the program ends. If Direct Energy and the Governmental Aggregator agree to a new opt-out program, you will be notified of the new program, receive the new terms and conditions, and have the ability to opt-out of the program without penalty.

WHAT IS MY RATE?

NIGEAC has ensured that you will receive the fixed rate of \$0.0720 per kWh through the bill you receive in July 2015. Direct Energy's rate does not include utility charges or applicable taxes. There is no enrollment fee for this offer.

ARE THERE ANY CANCELLATION FEES IF I CANCEL EARLY?

No. With Direct Energy's offer you have the ability to cancel your customer agreement at any time without penalty.

WHERE DO I SEND MY PAYMENT?

Direct Energy's commodity charge will appear as a line item on the billing you receive from your local electric utility, so you will simply continue to send one monthly payment to your local electric utility, ComEd.

CAN I RECEIVE OR KEEP MY BUDGET BILLING?

Yes. If you are on budget billing you will remain on budget billing. If you would like to switch to budget billing, call ComEd at 800-334-7661. Budget billing, automatic payment, online billing, etc., are all controlled by ComEd's policies and are subject to change.

WHAT IF I HAVE ALREADY CHOSEN A SUPPLIER?

You will not be automatically enrolled but you may call Direct Energy to enroll. Your current supplier may charge you an early termination fee if you attempt to break your agreement. You should check the terms and conditions of your current contract before making a decision to switch to Direct Energy.

WHAT IF I MOVE?

There is no penalty for terminating this agreement at any time for any reason, including moving from your residence.

CAN I ENROLL AFTER THE INITIAL ENROLLMENT PERIOD?

Direct Energy will always try to accommodate residents should they wish to enroll after the initial enrollment period. However, Direct Energy reserves the right to decline late enrollments depending on market conditions.

WHO DO I CALL IF I HAVE PROBLEMS WITH MY SERVICE?

The local utility, ComEd, will continue to deliver your purchased electricity through their wires, read your meters, and issue your monthly bills. You will continue to call ComEd at 800-334-7661 for emergency repairs, electricity outage, maintenance issues, billing questions, etc.

WHAT ELSE CAN YOU TELL ME ABOUT DIRECT ENERGY?

Direct Energy is part of the Centrica group of companies and one of the largest providers of non-utility retail energy services in North America. Direct Energy supports approximately 6 million customer relationships across North America.

WHO DO I CONTACT IF I HAVE ADDITIONAL QUESTIONS?

If you have any additional questions about this offer or any of the other services that Direct Energy provides, please contact our toll-free Customer Service Department at 1-866-760-6040, Monday through Friday from 8:00 a.m. to 8:00 p.m. EST, and Saturday from 8:00 a.m. to 5:00 p.m. EST (contact center hours subject to change without notice). To learn more about us, you may also visit our web site at www.directenergy.com.

TYPE OF SERVICE BEING OFFERED

Electricity.

PRODUCT

Governmental Aggregation Program -

Fixed Rate of \$0.0720/kWh - excludes taxes and other utility related charges.

INITIAL TERM OF THE AGREEMENT

The initial term of your service will begin with the next eligible meter read date that takes place after the opt out period and continues through the bill you receive in July 2015, subject to earlier termination pursuant to the Agreement.

RENEWAL

Upon completion of the Initial Term, this Agreement will terminate and your electric service will be switched to the Electric Utility or to another alternative retail electric supplier as determined by Governmental Aggregator on your next available meter date unless the Governmental Aggregator and Direct Energy enter into an agreement for a Renewal Electric Opt-Out Aggregation Program ("Renewal"). If the Renewal occurs, you will be notified of the Renewal, receive a written notice of any proposed changes to the price, terms and conditions of this Agreement, and have the ability to opt-out of the Renewal Electric Opt-Out Aggregation Program without penalty under the opt-out process described in Section 3 of the Terms and Conditions and the Governmental Aggregator's aggregation plan. If you decide to opt-out of the Renewal Opt-Out Aggregation Program, your electricity service will be switched to the Electric Utility.

EARLY TERMINATION FEE

There is no early termination fee.

NOTIFICATION BY YOUR ELECTRIC UTILITY

You will receive written notification from your utility confirming your pending switch to Direct Energy.

RESCISSION PERIOD

You may rescind the Agreement with Direct Energy within ten (10) calendar days after your utility's acceptance of your enrollment request by contacting either Direct Energy or your utility. If you are subject to a cancellation fee as set forth in the Rate Plan Summary, you also have the right to cancel the Agreement without penalty, within 10 business days after the date your first bill is issued.

YOUR ELECTRIC UTILITY

Your electric utility is Commonwealth Edison (ComEd). You may contact ComEd at 1-800-334-7661. ComEd will remain responsible for the delivery of power and energy to your home and will continue to respond to any service calls and emergencies. Switching to Direct Energy will not impact the reliability of your electric service.
