# Welcome to the City of Woodstock

**Brian Sager, Ph.D.**  
Mayor

**O**n behalf of the City and its residents, welcome to Woodstock, a growing, vibrant community with strong commitments to long-held historic, cultural, educational, healthy-living, and healthy-environment values.

First established in 1844, our City was called Centerville, referencing its central location in McHenry County and the fact it serves as the seat of our county

government. In 1845, Centerville was renamed Woodstock and has celebrated significant recognition over the years, being named an All America City in 1964, a Certified City in 1987, a National Trust Distinctive Destination in 2007, and most recently, a Preserve America Community. The Woodstock Square is listed on the National Register of Historic Places and rests in the center of the City's Historic District. Pillars of the district include the historic Woodstock Opera House, theatrical home of renowned performers Orson Welles, Paul Newman, Betsy Palmer, Tom Bosley, Shelley Berman, Lois Nettleton and Geraldine Page, and the Old Courthouse, today's home of the Old Courthouse Arts Center and Public House Restaurant. Surrounding the Square are a number of beautifully restored Victorian homes, many of which have been plaqued by the Historic Preservation Commission in recognition of their significance to the City's history and architectural diversity.

Woodstock is the centerpiece of the region's visual and performing arts community with events promoted to a wide audience at [www.realwoodstock.com](http://www.realwoodstock.com). Each year there are more than 500 performances at the historic Woodstock Opera House. February 2nd marks Groundhog Day as the community waits for our own Woodstock Willie to make his prognostication. Wednesday nights during the months of June and July will find residents in the Park in the Square enjoying evening concerts performed by the Woodstock City Band, a tradition for more than 133 consecutive years! Tuesdays and Saturdays from May through October find the Farmers' Market, ranked number one in the State of Illinois and in the top ten nationwide, open for business. The Square is alive every weekend throughout the summer with arts and crafts

shows, festivals, weddings, the annual Memorial Day Parade and welcome home celebrations for our returning service men and women. A day of shopping in Woodstock's unique and inviting stores recalls memories of scenes and personalities associated with the Dick Tracy cartoon. Chester Gould, creator and cartoonist of the famed police detective, lived in rural Woodstock for 50 years and based many of his characters and stories on local events, buildings, and people. A walk around the downtown area also provides the opportunity to stop at many locations identified by plaques as the site of important scenes in the movie *Groundhog Day* filmed in Woodstock in 1992, and still celebrated here annually. We know you'll enjoy the Woodstock on Film and on the Stage Mural and Sculpture Garden, located next to Classic Cinemas Woodstock Theatre on Main Street, our residents' creative tribute to this community's cultural treasures.

Regardless of the reason for visiting the City, a day in Woodstock is nicely topped off by an evening of dining at any of the City's many fine dining establishments. Square restaurants offer outdoor dining during the summer and cozy indoor fares in fall and winter. And, the Square in winter is simply not to be missed. Nothing is more spectacular than the traditional Lighting of the Square ceremony as trees and buildings become ablaze with light in preparation for the holidays. A winter evening is truly incomplete without a horse drawn carriage ride over the brick streets or a leisurely stroll under the magic of the winter lights.

Woodstock consistently demonstrates its commitment to quality education. Community Unit School District 200 offers two high schools, two middle schools, six elementary schools, the Verda Dierzen Early Learning Center, and Clay Academy. Currently, 1,900 students in the District are enrolled in their award-winning dual language program, recognized by the Government of Spain as an International Spanish Academy, in which students receive instruction in all curricula in both English and Spanish. Additionally, Woodstock is home to St. Mary Catholic School and Marian Central Catholic High School. The community supports a state-of-the-art public library, complete with children's center, reading room, internet access and community room. Just a few short miles from McHenry County College, Woodstock offers easy access to traditional college courses, as well as numerous adult education classes. The City is also home to the Challenger Learning Center. Dedicated as a memorial to the crew of the

ill-fated Challenger space flight, the Center provides science exploration and team building programs for youth and adults alike. The site is owned and managed by the Woodstock Center of nationally known Aurora University, now offering an M.B.A. in Leadership, an M.S. in Nursing, and doctoral degrees in education with leadership emphasis in the areas of Adult and Higher Education, Curriculum and Instruction, and Educational Administration.

Our community also offers exceptional health care and senior living facilities. Mercy Woodstock Medical Center opened in 1999, offering comprehensive health care dedicated to broad-based healing, while Centegra Health System offers Emergency Room, rehab and behavioral health services. For over 125 years, Hearthstone Communities has provided quality senior living options and opportunities for senior citizens and their families with an emphasis on compassionate, family-oriented senior care.

With nearly 550 acres of parkland and many more acres of open space, Woodstock demonstrates a strong commitment to maintaining its individual character and identity within a larger growing region. Through partnerships with the McHenry County Conservation District, The Land Conservancy, and the Environmental Defenders of McHenry County, the City actively works to conserve and preserve precious natural resources. Thanks to the efforts of the Defenders and a strong collaboration with municipal and county governments, McHenry County was the first in the State of Illinois to mandate a curbside recycling program. Environmental protection is truly a way of life in Woodstock. And for those interested in sports and recreation, the City offers the Woodstock Water Works aquatic center; the Woodstock Recreation Center, with a full range of health and fitness equipment and programs; a 2.5 mile walking/running path in Emricson Park; and numerous soccer fields and ball diamonds throughout the City for both leagues and families to enjoy.

As our City motto states, Woodstock is "True to its past and confident of its future." Whether visiting for a day, a weekend, or living in Woodstock, we're glad you're here. Welcome to our home!

## Who To Call In An Emergency

### Woodstock Police Department

Non-Emergency Number • (815) 338-2131

e-mail: [policedept@woodstockil.gov](mailto:policedept@woodstockil.gov)

**T**he Woodstock Police Department includes sworn police officers and detectives, civilian employees, community service officers and school crossing guards. They perform police protection patrol services, non-patrol and investigative functions, community services, parking enforcement, traffic safety, communications/record functions and administrative services.

*The department also provides a wide variety of community services and programs, some of which are listed below:*

- Crime Stoppers • Child Identification Program • Property Identification • Vacation House Surveillance • Classroom Education Programs • Drug Abuse Resistance Education (D.A.R.E.) • North Central Narcotics Task Force • Police/High School Liaison Officer

### Woodstock Fire/Rescue District

Non-Emergency Number • (815) 338-2621

The Woodstock Fire/Rescue District provides two important public safety services for Woodstock area residents: fire and rescue protection. Due to its high quality, properties within the district enjoy a very low fire insurance rating for home and business owners. B.O.C.A. fire and building codes are enforced in the construction of all new structures in the district.

Firefighters and paramedics conduct fire inspection and safety education programs throughout the year. 85 percent of the members are cross-trained in fire and medical emergencies. Paid, on-premise members provide for 24 hour on-duty response to all medical incidents. Future plans provide for more personnel on duty to also respond to fire incidents.

## Township Government

**T**ownship Government is older than 1776. It originated in the mid-1600s, more than 100 years before our country became an independent nation.

Township government in Illinois dates back to 1787, when Congress established the Northwest Territory and designated counties and townships within the territories. When the second Illinois Constitution was adopted in 1848 it gave counties the option to include townships in their governmental structure.

A majority of Illinois counties chose the township system in a general election of 1849, among them being McHenry County, where the voters almost unanimously chose township government in a referendum in November of 1849.

A Township, as a political and geographic subdivision, is a municipal corporate body that can sue and be sued, own property, borrow money and levy taxes. The officials may act for the electorate in the Township's name when conducting business.

Townships have many duties and some permissive powers. Services expressly required of all townships include providing for welfare assistance, building and maintaining rural roads, assessment of property and preventing the spread of communicable disease. In addition to this, townships may establish libraries, medical clinics, museums, community buildings, public rest stations, mental health facilities and youth committees.

McHenry County is divided into 17 townships. There are generally eight elected officers in each township. These are the supervisor, clerk, assessor, highway commissioner and four trustees. The term of office for each position is four years. Terms are synchronous rather than staggered. The annual meeting of the township electors is held the

second Tuesday in April each year.

The Supervisor is the Chief Executive Officer of the township and is responsible for the township funds, serving as treasurer of all funds and records all transactions in an official book.

The Supervisor must file a statement of the financial status of the township with the township clerk. A summary of this report must be published annually.

One of the most important functions of the Supervisor is in the area of General Assistance. The Supervisor of General Assistance gives aid to the needy. Money used for this purpose is raised by local taxes and non-State receiving units, which applies to most of the 1,400 plus townships in Illinois. The money thus raised is used to provide food, shelter, utilities, medical care and burial whenever necessary.

## What To Do When You Get Here

### The picturesque community of Woodstock

is alive with a bountiful array of events and attractions that make the city a prime tourist attraction and thrilling place to live.

#### GROUNDHOG DAY

In 1991 director Harold Ramis chose Woodstock as the location for shooting the comedy classic film "Groundhog Day." It has made Woodstock an endless point of interest, bringing visitors from all over the world. The Woodstock Public Library and City Hall have information and exhibits on the filming of the movie, plus there are numerous placards marking significant filming locations throughout downtown Woodstock. You can even book a room at the house from the movie, now known as The Cherry Tree Inn Bed & Breakfast.

In addition, Woodstock is host to the annual Groundhog Day Festival that pays homage to the film and includes a walking tour of sites in the movie, as well as the groundhog's prediction for when winter will end.

#### DICK TRACY

Chester Gould, who created the Dick Tracy comic strip which ran 1931 to 1977, lived in rural Woodstock for 50 years. The Dick Tracy comic strip originally premiered in the Detroit Mirror, then in the New York Daily News, followed by the Chicago Tribune, and then on to nationwide syndication, and eventually to international audiences. The crime fighting adventures of Gould's Dick Tracy character were so popular that the comic strip appeared on the front page of the New York Daily News for 45 consecutive years, and it was seen in 27 foreign papers.

#### EVENTS & ATTRACTIONS

July and August sizzle with family-friendly events, like a spectacular car show, the renowned Midwest Mozart Festival and free City Band concerts in the park. Also in August, the eagerly anticipated McHenry County Fair fills Woodstock with rides, games, and foods for every taste. In September, The Autumn Art Tour features local artisans at work in their homes while Harvest Fest celebrates Bluegrass music, with old time crafters and blacksmiths, antique tractors and handmade crafts from across the Midwest at the Fair in the Square. The Mexican Independence Day Celebration, annual

Food Truck Festival and, of course, Apple Picking in one of the many local Orchards make September a popular month to visit Woodstock. October brings Autumn Drive, a scenic tour of rural arts, crafts, and harvest happenings, and a new tradition, the Lighting of the Lanterns, with scores of hand-carved pumpkins adorning the beautiful Woodstock Opera House.

Of course these are just a sampling of the year-round offerings of fun activities celebrating Woodstock's unique charm. Among other popular events hosted by Woodstock are the Fair Diddle Craft Show in May, Farmer's Market running May through October, the Woodstock Folk festival and Summer in the Park in July, year-round exhibitions at the Old Courthouse Arts Center, including the family favorite Gingerbread House Walk in late November, which along with the Christmas Tree Walk at the Opera House, helps kick off the holiday season during the ever popular Lighting of the Square activities that draw thousands. Small Business Saturday, Ladies Nite Out on the Square, Carriage Rides and Santa's Hut in the Park on the Square make the Holiday Season in Woodstock magical.

In 2017 a group of community volunteers raised funds privately to produce a stunning creative tribute to Woodstock's cultural legends. The Woodstock on Film and on the Stage Mural and Sculpture Garden, located next to Classic Cinemas Woodstock Theatre in the Main Street Pedway, features beautifully-designed hand-painted images of Chester Gould/Dick Tracy, Stars of the Opera House, Orson Welles, and "Groundhog Day," along with detailed information on their contributions to our community's past.

## A Little Bit of Woodstock History

### Woodstock Opera House

**B**uilt in 1889, the Woodstock Opera House was carefully restored to its “Steamboat Gothic” beauty in the mid-1970s. Managed by the City of Woodstock, the Opera House has, for over 125 years, served as an active performing arts/cultural center, meeting place and focal point of Woodstock.

The Opera House staff also coordinates the Summer City Band concerts that celebrated their 134th consecutive season in 2018; bookings for use of the park’s Gazebo for weddings and other activities may be made through the Opera House office. The adjacent Stage Left Café hosts local talent several nights a week and can be rented for meetings and workshops during the day and private parties

in the evenings. The Opera House’s Community Room is also available for public use and features an ongoing visual arts exhibition and a Christmas Tree Walk during the Holidays.

### The Old Courthouse & Sheriff’s House

the Sheriff’s House & Jail lodged Pullman Strike labor leader Eugene Debs for a period of six months. Although sections of the buildings are currently inaccessible, for the past 25 years the Courthouse has hosted year-round fine art exhibitions as the Old Courthouse Arts Center, and also offers a popular restaurant on the ground floor enjoyed by both residents and tourists.

The City has begun essential repairs and restoration of these buildings to ensure maximum public enjoyment once more. Estimates to restore the buildings to their former glory are upwards of \$5 million. An appointed Old Courthouse and Sheriff’s House Advisory Commission, and the community volunteer group Friends of the Old Courthouse, actively seek funding partners to accelerate building renovations and allow beneficial re-use by the public. If interested in helping, see information at [www.friendsoftheoldcourthouse.org](http://www.friendsoftheoldcourthouse.org).

# Historic Downtown Square

**L**isted on the National Register of Historic Places, the historic Woodstock Square is the perfect venue for a leisurely day of shopping. Woodstock's unique stores are situated along brick streets amidst the quaint charm of 19th century architecture. Afterwards enjoy an evening of fine dining, our downtown eight-screen movie theatre, and live entertainment in every arts discipline. Round out your Woodstock adventure by spending the night at one of the city's quaint bed and breakfasts or more formal hotel environments.

## Historic Structures

Two historic structures dominate the Woodstock Square — the **Woodstock Opera House** and the **Old Courthouse & Sheriff's House** complex. The Opera House was erected in 1889 and once served as the city hall, library, and fire department. Performers who spent their early years on the Opera House stage include Orson Welles and Paul Newman.

Today, the Opera House remains the cultural entertainment center of Woodstock. Plays, concerts, and performances are scheduled at the Opera House throughout the year, including the Midwest Woodstock Mozart Festival, held each summer. Performance schedules are available at the ticket office in the Opera House lobby.

The Old Courthouse, a simple Italianate structure built in 1857 under the design of famed architect John Mills Van Osdel, is similar to the Cook County Courthouse of 1853 that

was destroyed in the Great Chicago Fire. The Sheriff's House and Jail were constructed in 1887. In 1894, Eugene Debs (union leader and Socialist Party Presidential candidate) was held there for refusing to comply with a court injunction related to the Pullman strike. The building served as the McHenry County government offices until the early 1970s when the county moved to a new, larger facility.

## Events and Festivals

Throughout the year, the historic Woodstock Square is host to many events, festivals, and fairs. Events on the Square include **Fair Diddley** in May (featuring over 300 crafter's booths), summer band concerts, the **Farmer's Market** from May through October, **Woodstock Folk Festival** in July, **Annual Car Show** and the **Midwest Mozart Festival** in August, **Harvest Fest** in September that

## Arts

The Woodstock Fine Arts Association is dedicated to promoting the arts in McHenry County. WFAA brings dynamic speakers to the Opera House stage through their Creative Living Series, now the oldest independent lecture series in the country. Its children's programs introduce grade-schoolers to the joys of live theater. WFAA awards scholarships to graduating seniors in McHenry County who plan to use their artistic gifts in the performing, visual or literary arts, either as a career or to enrich their lives.

**T**he Conservation District was established in 1971 by the voters of McHenry County to preserve the county's natural areas, while promoting environmental education and offering outdoor recreational opportunities. Over the past 45 years, nearly 25,000 acres have been set aside for the pleasure of future generations.

People of all ages enjoy a wide range of activities such as hiking, biking, fishing, canoeing, horseback riding, snowmobiling and cross-country skiing at 33 District sites located throughout the county. Annual events include Hooked on Fishing, hosted for free during the second weekend in June, in conjunction with Illinois Free Fishing days, where families can try out the sport of fishing and have fun trying to hook the "big one"; cross-country candlelight skiing, hosted one weekend each January and February; and the Festival of the Sugar Maples, held in early March, which demonstrates how maple syrup is made.

The Conservation District publishes

"Landscapes," a free quarterly magazine that

details the District's free educational programs, special events and other District news. To subscribe to Landscapes or for more information about District facilities, programs and events, please call the District's main office at (815) 338-6223 or visit our website at [www.MCCDistrict.org](http://www.MCCDistrict.org).

## Where We Learn

### Woodstock Community Unit School District 200

**W**oodstock School District 200 serves approximately 6,700 students in grades PreK-12 who live in the communities of Woodstock, Bull Valley, Greenwood, the west side of Wonder Lake, and unincorporated McHenry County. The school district was formed in 1969, when two elementary districts and one high school district consolidated, but education in Woodstock actually dates back to 1847. Today, our schools offer a strong standards-based educational program that is based on best practices and innovation but that is also rooted in the rich traditions of our 150-year old community.

District 200 currently operates 12 schools: the Verda Dierzen Early Learning Center where all of the community's youngest children begin their education; six elementary schools serving students in grades 1-5; two middle schools for students in grades 6-8; two comprehensive high schools; and the Clay Academy, a therapeutic day school for students in grades 3-12 with special needs.

A 2006 referendum allowed the school district to complete \$105 million in school construction which included new elementary, middle and high school buildings, an addition to the early learning center, and the remodeling and conversion of a former middle school to an elementary school.

District 200 provides a wide variety of programs to help every child to succeed. Early childhood education, dual language, bilingual and gifted programs, Advanced Placement classes, career and technical training, and special needs programs strengthen the general education curriculum. A districtwide focus on reading, writing and mathematics combined with the use of technology as a learning tool help prepare all students for success in and outside of the classroom.

Woodstock students excel at the state and national levels in both academics and extracurricular activities. Woodstock High School students perform very well on ACT and Advanced Placement tests, and our graduates attend some of the top colleges and universities in

Woodstock High School

the nation. Elementary and middle school students consistently score above the state average on standardized achievement tests. The Verda Dierzen Early Learning Center is a recognized model for early childhood education.

Outside of the classroom, District 200 provides an extensive selection of athletic, fine arts, enrichment and extra-curricular programs. Students regularly excel at the state level in a variety of competitions, including music, mathematics, graphic arts and athletic events.

# Hispanic Connections

**E**l Segundo año en perspectiva... Cuando uno tiene una visión, algo más grande que uno mismo, y tiene la fortuna de encontrar gente maravillosa que haga parte de ella y comparta esa visión y le ayude a mejorarla por el camino, uno va a tener éxito. Esto es Conexiones Hispanas, un grupo que nació de una visión, de la necesidad de un lugar donde los negocios Hispanos pudieran conectarse y beneficiarse de redes laborales, sinergias y apoyo mutuo para crecer. Conectamos a unos líderes increíbles de la comunidad que vieron potencial, creyeron en cada uno y pusieron su liderazgo a trabajar para no solo beneficiarse mutuamente, pero ir más allá y beneficiar a una comunidad con una necesidad inmensa de tener una voz y un lugar para expresarse e integrarse con el resto de la población del condado de McHenry. Conexiones Hispanas no es solo un grupo de redes laborales donde negocios vienen y se reúnen, integran, se apoyan mutuamente y buscan crecer a través de referencias de clientes, pero es un grupo que ha evolucionado y se ha vuelto la voz de una comunidad que estaba ansiosa de integrarse y ser escuchada. Conexiones Hispanas es realmente un grupo de redes laborales y de servicio comunitario.

A través de muchos eventos como son la segunda celebración del Día de la Independencia de México, La noche de carrera universitaria para padres y estudiantes, la noche de Churros con Santa, La

noche legal y el apoyo a eventos multiculturales en los colegios como el que organizó Westwood Elementary donde Culture Art and Music y Juanita Vega enseñaron a niños pequeños y profesores música y baile latino, estos eventos le han mostrado a una ciudad como dos culturas pueden vivir juntas, crecer juntas y apoyarse mutuamente con respeto y liderazgo. El grupo también financió y apoyó a la primera candidata Latina al concurso de Señorita Woodstock y el día de hoy tenemos a la primera Hispana como Reina Señorita Woodstock 2018, Alondra Flores, la primera LATINA en coronarse en la ciudad. Esta señorita, está representando la comunidad Hispana con honores muy altos, integrando dos culturas y demostrando que no solo la ciudad de Woodstock, pero en el condado y en país entero, todos somos UN solo grupo de gente maravillosa.

El futuro es brillante. Conexiones Hispanas está mostrando a la comunidad del condado de McHenry vías de colaboración, integración y apoyo. Le está dejando ver a los negocios que las redes laborales tienen grandes beneficios cuando las referencias de clientes vienen de su presencia en la comunidad y del apoyo que ellos se dan mutuamente. El crecimiento que nuestros negocios han visto viene de la participación y

servicio que han puesto en los eventos para la comunidad. Gracias a todos los negocios que están listados abajo y por último un agradecimiento especial a Annie Velasco nuestra coordinadora de juventudes, por su participación como enlace con los voluntarios Hispanos y futuros líderes del distrito 200.

Te invitamos a que participes y te hagas miembro no solo de la Cámara de Comercio de Woodstock sino del grupo de Conexiones Hispanas, que hagas parte de una historia exitosa y prestes servicio a una comunidad con una necesidad muy grande de ser escuchada y dispuesta a aprender y a crecer. Se parte de la fuerza y voz de la comunidad Hispana en el condado de McHenry.

# Hispanic Connections

A second year in perspective...

When you have a vision, something bigger than yourself, and you find amazing people to join and share that vision with you and improve it on the way, you have success. That is what Hispanic Connections is, a group that was born from a vision of Hispanic businesses connecting to benefit from networking, apply synergies and offer mutual support to grow individually and collectively while giving back to our community. We connected with incredible leaders in the community that saw our potential, believed in each other and put their leadership to work to benefit not only our businesses but much more, a community in desperate need of a voice. We are creating a place for the Hispanic community to express itself and integrate with the rest of the population of McHenry County. Hispanic Connections is not only a networking group where business come to meet, integrate, and support each other, looking to grow via referrals but it has become a force and voice of a community that is eager to integrate and be heard. Hispanic Connections is truly a networking and service group.

We have created events like the annual Mexican Independence Day Celebration, Latino Parent Career Night together with District 200, Churros with Santa, Salsa Nights and legal night. We support multicultural events in schools like the Westwood Elementary event where Culture, Arts and Music and Juanita Vega, engage with students and staff to teach Latin Music and Latin Dance, we are proud to show a town like Woodstock, how two cultures can work together, grow together and support each other with respect and leadership. This year we also sponsored the first Latina candidate for the annual Miss Woodstock Pageant and proudly today we have the FIRST LATINA Queen, Alondra Flores, representing us as Miss Woodstock 2018. Alondra represents the Hispanic Community with high honor and is integrating two cultures and showing not only our city and county but the whole country that we are all ONE awesome group of people.

The future is bright, Hispanic Connections is showing the community of McHenry County ways of collaboration, integration and support. It is showing businesses that networking has greater benefits when the referrals come from their presence in the community and the support that they give each other instead of a referral name on a piece of paper. The growth that our businesses have seen, comes from the engagement and service they have invested in the community. Thank you to all of our members listed and also to our Youth Coordinator, Annie Velasco our liaison with a wonderful group of Hispanic volunteers and future leaders within the school district.

We invite you to become a member of Hispanic Connections Group, to become part of our success story. We want you to join our efforts and help us create more excitement in the service of a community eager to be heard and willing to learn and grow. Being part of this leadership force requires commitment to something greater than yourself, and we need that dedication from even more of you to give a voice to the Hispanic Community of Woodstock and McHenry County.
